Data issues

- Amsterdam -> The Hague (THA9364): Same service id as Amsterdam-Paris 15:11 - probably a copy-paste
- Holyhead -> Dublin (Ferry): No times in the original (‘by ferry’); duration is an estimate
- Bucharest -> Sofia (?): Service marked ‘Not sure’ in the original
- Patras -> Athens (C111E 1319): Departs 11:55 but the Bari ferry arrives 13:30 - no same-day connection
